Looks like we will somehow manage to get in uniforms this year – the fabric should be reaching ‘soon’, as per the latest reports, so we will shortly be measuring out the children for their first uniforms. We will inform you about the costs as soon as possible.

Parents are requested not to allow their children to wear jewellery, real or artificial, small or big - only small earrings – no chains / anklets / bangles will be allowed on ‘normal’ school days. Please bear with us and use your discretion, since it is difficult to decide whether individual items of jewellery / clothing are appropriate for school. Please also make sure girls have their hair neatly tied or braided, depending on length of hair.

Since the Govt declared a 3 day holiday for Ramdan, all classes from 2nd to 7th will now work on 6th and 13th December.

The Gurukul has been informed about a Montessori course to be held in Kottayam by Munira Akthar, a trainer from Bangalore. This will be a six-month intensive course and since the timings are flexible, it may be suitable for working persons, too. If anybody is aware of teachers who are interested in this course, please contact 98460 74641- Mr Sajen, Little Kingdom Montesori School, Kottayam. As you are aware, we would always be interested in getting Montessori trained teachers for The Gurukul.

Congratulations to Arya AK of Grade V who won the Gold Medal in Skating (Dance).

Children were asked to write what they thought about the school in 1 line – strangely, most of the 7th Std boys found the grounds inadequate, though the younger lot thought the grounds were ‘huge’...Keerthi (Grade 6) wants us to do more publicity for the school!!! Keerthi, we are trying!!! Children / parents will also be happy to know that the

process of locating the land is ‘almost complete’ and we should be doing the formalities soon – we will try and complete construction by June ‘04, but knowing how things work here, we do not want to be overly optimistic – either way, we will definitely have the new premises by 2005.

Children celebrated Children’s Day by putting up such good performances that we felt it was a shame that we did not invite parents along to watch.

Ramzan is the Holy month of muslims. This month people are taking fasting. Meantime people always pray to God, and do good things, think good thing and talk about good things in the name of God. For eg: helping poor people.
